GLADIOLUS PRICE

FALL 1946 - 1947 SPRING

SCHRAVENDEEL & SEGERS SONS, INC.

44 WHITEHALL STREET

Tel. WHitehall 4-0646

NEW YORK 4, N. Y.

Herewith we are again presenting to you our price list of Gladiolus bulbs for the season, as raised on the gladiolus farms of Simon Benne & Co., Palmyra, N. Y., for whom we are again acting as sole sales agents.

The bulbs offered are all grown from young stock or bulblets, and are all high crown bulbs, all grown in northern New York State.

Except for a few Holland introductions of this year, which are specially marked **per 100**, all our prices are per 1000 bulbs, 250 bulbs supplied at 1000 rate. Please note that all prices printed in bold figures indicate that price is per hundred—not per 1000.

All our gladiolus bulbs are sold FOB Newark, N. Y., and travel at purchaser's risk and expense from there on.

Schravendeel & Segers Sons Inc., and Simon Benne & Co., give no warranty, express or implied, and will not be in any

way responsible for the flowering or productiveness of any bulbs they send out, as this depends upon many circumstances entirely beyond their control. They guarantee all bulbs to be true to name. Complaints must be made within 8 days after arrival to be considered.

Terms of sale: 5% discount for cash with order, or 50% of total amount of bill, payable when ordering, and the balance C. O. D.

Shipment can be made from the latter part of November on; if large quantities are needed during November or December, please order early so that timely arrangements can be made for shipment at the designated time.

If interested in large quantities please let us quote you on your requirements.

Yours very truly,
SCHRAVENDEEL & SEGERS SONS, INC.
